

Commuter Benefits Employee Handout

PrideStaff offers a Commuter Benefits Plan to eligible Field Associates who are on assignment in the California Bay Area, New Jersey, The Five Boroughs Of New York, Seattle, Washington, Washington D.C, Pennsylvania, in accordance with applicable laws. The Commuter Benefits Plan allows covered Field Associates to set aside pre-tax wages for qualified transit and parking expenses they incur while getting to and from work.

Transit Benefit

Pay for transportation to and from work tax-free. Common eligible expenses include transportation through train, bus, subway and ferry.

Simple Access to Your Funds

With the benefits debit card, participants can pay providers at the time of service directly from their transit and/or parking account. If the parking facility does not accept debit card payments, participants may also pay out of pocket and then submit a reimbursement request. Participants may submit parking claims to WEX online through the consumer web portal and sign up for free direct deposit to receive reimbursements quickly.

We recommend that participants keep receipts for their own records regardless of whether receipts are required for the plan.

Additional Plan Features

- 24/7 online account access
- Mobile apps and text alerts
- Single sign-on for all reimbursement accounts
- Debit card to access both parking and transit funds
